WHAT

Our TRANSITION TRACK is designed to help your seniors see the realities of their new college environment and develop a plan for thriving spiritually when they get there.

WHAT

Our TRANSITION TRACK is designed to help your seniors see the realities of their new college environment and develop a plan for thriving spiritually when they get there.

SENIORS WILL LEARN

- How to take ownership of their faith
- Defending the Bible against its two biggest attacks on campus
- The two strongest temptations Christians face on any campus
- Three emotions that will fuel their temptations in college
- The #1 reason Christians stop looking for fellowship in college
- Two roadblocks to becoming a mature Christian in college
- How God is using college students to grow his kingdom
